Prescott School District District Status Report for 2004-05

ACCREDITATION STANDARDS

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational areas. Below are the programs offered for 2005-06. If a program is offered at a secondary vocational center, students must be enrolled in the 2005-06 school year.

Prescott High School is offering 9 programs of study in 8 different pathways.

Pathways and Programs of Study

Administration & Information Support

Office Administration Approved

Business Financial Management

Finance Approved

Engineering and Technology

Computer Engineering Approved

Family & Community Services

Desktop Publishing Approved Multimedia Approved

Plant Systems

Horticulture Approved

Power, Structural and Technical Systems

Agricultural Power, Structural & Technical Approved

Systems

Restaurant & Food and Beverage Services

Food Production, Management & Services Approved

Prescott High School rating: Meets Standards of Accreditation

ACADEMIC SKILL ATTAINMENT

Academic Attainment has been based on the number of concentrators that score above the 50th percentile on the Stanford Achievement Test-9 (SAT 9). However, the concentrators for 2004-05 were the last students to take the SAT 9 during their sophomore year in high school. Also, the end-of-level assessments in Literacy, Algebra, and Geometry will be used in the future for this measure. Although the Department did report Academic Attainment to the U.S. Department of Education, individual school districts will not be held responsible on the District Status Report this year. Next year, Academic Attainment will be based on the number of concentrators scoring Proficient or Advanced on the end-of-level assessments.

VOCATIONAL TECHNICAL SKILL ATTAINMENT

Vocational Technical Skill Attainment is based on the average scores in the Vocational Student Competency Testing program for all students tested at the end of a CTE course.

	Number Tested	School Average	State Averag
Prescott High School	40	86%	
Business & Marketing Education	32	91%	67%
Multimedia Applications II	14	89%	71%
Multimedia Applications I	18	92%	63%
Family & Consumer Sciences	8	68%	70%
Food Production, Mgmt & Services	1	43%	66%
Family & Consumer Sciences	7	71%	73%

Number tested in district: 40
District average score: 86%
State benchmark 80%

District rating: Significantly above benchmark

Meets or exceeds state average of 68%

Note: According to the records we have from APSCN and from information submitted by the CTE teachers, it appears that the following courses were offered in the district but were not tested during t 2004-05 school year. However, if the course was offered at a secondary vocational center, the testin information will appear in the report for the center and not the district.

Agriculture Mechanics II
Agriculture Structural Systems II
Food & Nutrition
Food Production & Management
Intro to Horticultural Science

GRADUATION

The graduation rate for concentrators is based on the number of students identified as concentrators the beginning of their senior year (completed at least two units in one occupational area) compared with the number of those who graduated.

Percent of concentrators graduated 100% State benchmark 90%

District rating: Significantly exceeds benchmark

Meets or exceeds state average of 90%

COMPLETERS OF PROGRAMS OF STUDY

A completer is a graduate who successfully completed three or more units of credit within a program of study, including all the core requirements for that program of study. There are two measures for this indicator. The first is the number of completers compared to the number of graduates. The second is the number of seniors enrolled in career and technical classes compared to the number of completers.

District rating: Significantly above benchmark

Meets or exceeds state average of 32%

Number of seniors enrolled compared with number of completers	63%
State benchmark	50%

District rating: Significantly Above Benchmark

Meets or Exceeds State Average of 37%

Total unduplicated number of completers of programs of study	37
Information Management/Multimedia	14
Information Management/Desktop Publishing	12
Agricultural Mechanics	7
Family & Consumer Sciences Education	6
Management	3
Horticulture	3
Food Production Management & Services	2
Finance	1

PLACEMENT

Placement is based on the status of completers six months following graduation. Completers who pursued opportunities in postsecondary education, the workforce, and/or the military are considered positive placements.

Completers reported in 2003-04	38
Percent positive placement	100%
State benchmark	98%

District rating: Significantly above benchmark

Meets or exceeds state average of 95%
